Re: E-Filing in Supreme Court, Westchester County

Dear Bar President:

The Office of Court Administration, the Ninth Judicial District Technological Department, and the Office of Westchester County Clerk Timothy C. Idoni have been working diligently to implement e-filing in Supreme Court, Westchester County.

We are anticipating the commencement of e-filing, on a voluntary basis, in the Commercial Division, Westchester County, on or about June 21, 2010. That will be followed, over the summer, by the introduction of e-filing, on a voluntary basis, in tort cases in Supreme Court, Westchester County. We are anticipating that, as permitted by legislation, e-filing will become mandatory in tort cases in Supreme Court, Westchester County, in Fall 2010.

In advance of these developments, training for attorneys on the New York State E-filing system will be offered in both morning and afternoon sessions on both June 10 and June 15, 2010. The morning sessions will be conducted between 10 a.m. and 12 p.m. and the afternoon sessions will be held between 1 p.m. and 3 p.m. The sessions will be held in the 18th Floor Computer Training Room in the Westchester County Courthouse, 111 Dr. Martin Luther King, Jr. Boulevard, White Plains. There is no charge for the training and 2 CLE skills credits will be given upon completion. Because of space constraints, we are asking that persons interested in attending pre-register at <https://survey.nycourts.gov/TakeSurvey.aspx?SurveyID=m2MK5n7>.

I would note that, if there is sufficient interest additional, larger sessions will be held, including sessions held in the evening. Additionally, the training staff is available to do training at larger law offices for groups of more than 25. Such a session can be arranged by calling the resource center at 646-386-3033 or by e-mailing a request to Effile@courts.state.ny.us

It would be very much appreciated if you could share this information with your members.

Sincerely,

Alan D. Scheinkman
Administrative Judge
Ninth Judicial District
